A Bike will only be issued to a Minor if he/she is supervised by a Guest over the age of eighteen (18). Each Bike must be returned immediately following the completion of the applicable Riding Activities for which it was issued. Bikes are not guaranteed and will be subject to availability. Guests wishing to use an onsite Bike for Riding Activities should report to such activities early.

(iii) The Guest will be responsible for the replacement value for any loss or damage that such Guest causes to any onsite Bike.

Each Guest acknowledges and accepts that FMS has the absolute right, without any liability, to terminate any Guest's participation in any particular Event activities (including, without limitation, Riding Activities) and/or to remove such Guest from the Event Venue at any time, if FMS determines in its sole discretion that the Guest has violated any Event rule or requirement, or the Guest's conduct or condition could cause harm or damage to such Guest, to others or to property.
